## **SUMMARY**

Dedicated Web Developer with a B. Tech in Electronics and Telecommunications, passionate about creating high-performance, user-centric web applications. Skilled in HTML, CSS, JavaScript, and the MERN stack (MongoDB, Express, React, Node.js), with a strong focus on responsive design, clean code, and optimized functionality. Consistently ranked among the top 3 students in my department, demonstrating a commitment to excellence and continuous learning.

# **EDUCATION**

**Bachelor of Technology – Electronics and Telecommunication Engineering** 

Dr. Babasaheb Ambedkar Technological University, Lonere, Raigad

Dec 2021- July 2025 CGPA – 8.21

HSC - Maharashtra State Board

Dnyandeep Vidya Mandir, Khed, Ratnagiri

June 2020 – Feb 2021 Percentage – 87.83/100

#### WORK EXPERIENCE

## PROJECT INTERN | Aayaan Softech | (07 Oct 2024 - Present)

Worked on a user-friendly web development project that enables users to modify certain features of a website directly, while keeping the backend structure unchanged. The application allows for real-time adjustments to the website's front-end elements without affecting its core functionality or backend.

## PROJECT INTERN | Unified Mentor | (Sep2024 – Oct 2024)

Completed a **Full-Stack Web Development Internship**, where I worked on various web projects. Gained practical skills in both front-end and back-end development, and learned about the whole process of building websites.

#### **PROJECTS**

#### PERSONAL PORTFOLIO WEBSITE visit

- Developed a responsive and elegant portfolio website using React.js and Tailwind CSS. Ensured smooth user experience across all devices with a fully responsive design.
- Implemented distinct sections: Home, About, Experience, Projects, and Contact for organized navigation. Focused on clean design and user-friendly interface for optimal engagement.

## **BOOKSTORE APPLICATION visit**

- Developed a fully responsive Bookstore Website using React.js, MongoDB, and Tailwind CSS.
- Key features include dedicated sections for Home, Courses, Free Books, and Contact to Buy, offering streamlined navigation.

## ANIMATED LOGIN PAGE visit

- Designed a simple, animated login page using HTML, CSS, and JavaScript. Features smooth transitions and engaging animations for an enhanced user experience.
- Background color changes randomly, adding dynamic visual appeal. Overall animation design creates an attractive, interactive login interface.

# **SKILLS**

**TECHNICAL SKILLS:** - HTML, CSS, JS, MERN stack, Computer Network, Network Security, TCP/IP, Cyber Security, Python, Java, Digital Communication, Satellite Communication, MATLAB, Generative AI Tools.

SOFT SKILLS: - Adaptability, Team Work, Time Management, Quick Learner.

LANGUAGES: - English, Hindi, Marathi.

# **CERTIFICATIONS**

- The Complete Web Development Training Course (Infosys Springboard)
- Google AI Essentials (Coursera)
- Google Cybersecurity (Coursera)
- Artificial Intelligence and Machine Learning (YBI)

# **EXTRACURRICULAR ACTIVITIES**

- Working as a CDC Co-Ordinator (Career Development Centre, DBATU)
- Department Training & Placement Co-Ordinator (TEESA)
- Coordinator at NSS (National Service Scheme)
- Department Cultural Coordinator (TEESA)
